Announcements

- Project 1 checkpoint due today
 - To get full credit on the checkpoint, you must pass all public tests up to the checkpoint (that is, up to and including Part 1, Question 8)
 - You can go back and change your answers before you submit next week
- Project 1: the entire project is due next Friday
 - Thursday for a bonus point
 - If you're working with a partner, only one person should submit, and make sure that you *both* add each other as partners on okpy
- HW3 and lab4 grades will be released today, and regrades are due Monday.
- HW5 will be released today, and due next Thursday (Wednesday for a bonus point)
